Pimms Polo International Day Marquee 2011

The marquee is located at the centre of the Club House side-line and provides a superb venue for corporate sponsors and guests to watch fantastic polo and socialise along with the New Zealand Polo Association President and members of management.

The marquee will be available to guests from 12.45pm onwards.

Reserve a table of eight or choose single entry for lunch, served between 1.15pm - 2.30pm.

Each guest will be provided with a complimentary bar tab for Wine, Beer, Soft Drinks or our featured refreshment of the day – Pimm's Punch. Cash bar available on completion of bar tab.

The Ball will be rolled in to start the days play at 1.00pm when the first of our International games commence with the New Zealand and Australian Colts doing battle. Selected under 23 year old players from both countries will be keen to "wet your appetite" first up and early crowd participation with plenty of cheering will encourage these guys to produce their finest skills and talent. I am sure the four chukka match will not disappoint us as a curtain raiser for the day's events. The "Future Generation" will showcase our junior polo players coming up through the ranks and may even inspire some other younger members of the crowd to give this exhilarating sport a go. Polo is only too keen to open the doors to new comers – young or young at heart !!.

Our favourite rivals from "across the ditch" are back to do battle this year. It has been six years since these two national representative teams met and this time the "Aussies" are sending their very best, leaving nothing to chance so our men in black will be up against it, The advantage of a home crowd can command amazing power and with your encouragement, our boys can and will defeat the "Golden Boys".

Any battle between these two countries is always fought with passion and pride – both on and off the field which will prove to be an event not to be missed.

Presentations will complete the days proceedings but guests are invited to soak up the after match atmosphere, relax with colleagues and friends, relive the action and even provide some of their own !!

Numbers are limited so for reservations please contact Paul Kay at:
